

## 2013 National Scout Jamboree Band

### Jamboree Band Update #5 April

Lots going on.... This update brings more information to your many questions. All of these updates are posted at our website. It might be a good idea to share these updates with your parents.

### THIS AND ALL PREVIOUS UPDATES ARE LOCATED AT JAMBOBAND.ORG

From an organizational standpoint, the band is attached to the Stadium Experience Team (SET) and as such, you may choose to purchase the patches and shirt that are being offering for sale. You are not required to buy any.

You have been receiving emails from Ramsay Ellis and Russell Smart. They have been providing information regarding many things. Most of SET will be backstage. The band will be in the public view always and as such the band will have its own dress code as outlined in Update # 4 March (see #2).

**1. Daily Schedule and Performances** - The performance schedule is still being developed. We will have a number of interesting and high profile gigs. Plans are being made for several off-site performances in Beckley and Charleston, WV

**2. Transportation Management Services TMS** - Please go to <http://www.tms.com/2013jamboree/> and register your arrival and departure times. When asked who you report to... put Jamboree Band George Pinchock

The Summit blog has a tutorial on packing your duffle bag. <http://www.summitblog.org/whats-the-deal-with-packing-the-jamboree-duffel/> Check it out!

How much clothing to bring is always a tough question to answer. Each scout is different. If you are going to wash, you won't need as many clothes.

## **6. Band Instruments and Equipment**

In addition to your duffle, Band members can bring any equipment needed for your job. (instrument, music stand, drum sticks, etc. These are in addition to your duffle bag.

## **7. Band Specific Items**

In May you will receive an order form for Band specific T-shirts and a jamboree band patch. Everyone will be required to buy at least one band t -shirt (2 or more recommended) for use while performing. The cost will be minimal.

## **8. Stadium Experience items**

You are free to order Stadium Experience Team SET Patches and T shirts. But you are not required to. Even though the band is part of the Stadium Experience Team, we differ in that we will be in the public eye when we perform rather than back stage.

## **9. Music**

Music will be mailed to you in the coming month. Additional music will be distributed and learned at the Jamboree. You should have all downloaded and learned National Emblem, Lassus Trombone, and Stars and Stripes Forever.
